and yet I am now leaning toward giving this proposal a thumbs down.

Enough of the propaganda! Give us some concrete facts to work with. Facts unclouded with your smear campaign, name-calling and arrogance.

WE don't care about you or Mr. Gourley's attacks on the merits and demerits of the Pew Monument. The Pro-monument people come across as a bunch of arrogant know-it-alls. If you really want to know why the local people do not support this proposal you need to look at how you treat people who disagree with you. I have not made my mind up
